I understand that my monthly University parking fee is deducted from my pay and that monthly deductions after January 1, 2002 will automatically be set up on a pre-tax basis unless I sign and return this waiver form to the Payroll Office.

By my signature below, I am requesting a waiver of exclusion from taxes for my University parking deductions. I do not wish to have my University parking fees paid on a pre-tax basis, and I choose to pay income tax and social security tax on these fees.
