DEPARTMENT OF HUMAN RESOURCES

HR/PAYROLL
BANNER IS NOW LIVE!

Spectrum Human Resources is now in production! The University community is now able to access and use this exciting new product.

The Spectrum HR work team, comprised of cross-functional employees from across campus, has worked very hard to prepare the new system for use, and users should notice many new features and options.

To access the new system, go to the University’s Spectrum portal at http://spectrum.memphis.edu. Log in with your UUID and ph-password (the password you use to check your University email). Once logged in, click on the Employee tab. This tab is where you can access Spectrum HR under ‘Banner INB.’ Also under the Employee tab, the Spectrum HR Program Guide can be found under ‘Banner Reference Information.’

In this same tab within the portal, the channels named ‘Employment Details’ and ‘Personal Information’ fulfill the same functions as the previous version of Employee Self Service.

Another helpful change that comes with the new system is the e-mailing of PDF-format pay stubs to employees notifying them of their pay, a much more convenient method of communicating this information than before.

Users who are already familiar with the portal will notice some changes to its tab structure. The new Employee tab replaces the previous Staff tab, and a Finance tab has been added for users who need to access Spectrum Finance.

If you experience any problems as you begin to use this new system, please contact the ITD Helpdesk at 678-8888.

DEADLINE IS NEAR for Tennessee on the Move, A Free Fitness Program for Faculty & Staff

To help the University of Memphis “Spring Into Fitness,” Session #1 will begin on April 17 and run through May 30. The first 25 participants who send in the attached interest form will receive an invitation to pick up a complimentary pedometer donated by Blue Cross Blue Shield.

It is a fun, interactive, online program that motivates you to ‘Get on the Move’ by increasing your daily steps by 2000 or more, as well as cutting just 100 calories from your daily intake. You will be amazed at how motivating it is to track your steps and/or minutes spent in physical activity; set healthy eating and weight goals; and receive optional daily email tips and a monthly e-newsletter.

If you are interested and have not registered online with America on the Move, apply as follows no later than April 12.

Complete the attached Interest Form and return it by campus mail to Maria Lucchesi, Department of Health and Sport Sciences, Elma Roane Fieldhouse #115.

NEW FORMS FOR MONTHLY TIME & LEAVE REPORTING

All departments must now use a new monthly timesheet.

Employees should no longer be reporting their monthly leave usage on the regular “carbon” monthly timesheets or in Web Entry of Time.

For the time being, new monthly timesheets are available in Employee Records, 178 AD. A distribution schedule for the future will be available soon; pickup of timesheets will be required for the next few months.

IMPORTANT CHANGES IN EMPLOYEE RECORDS

Regular, full- and part-time exempt employees and 12-month academic employees may earn up to 180 hours of annual leave per year. By the end of June, they may accumulate up to 315 hours for use in the next fiscal year.

Depending upon years of service, regular, full- and part-time non-exempt clerical/support and MODFY employees may earn from 90 to 180 hours of annual leave per year. The maximum carryforward is in accordance with the schedule shown below.

In the event excess annual leave is not used during the current fiscal year, it will be transferred to the employee’s sick leave account on July 1—unless the employee terminates or is on terminal leave on June 30. In this case, the full amount will be paid out as terminal leave, even if the payments cross over to the new fiscal year.
