Congratulations Elmer C. Jones!!!

Lasting friendships and construction projects are two things that Elmer Jones will remember about working at the University of Memphis. His employment started in June of 1979. During that time Elmer won several

Wings Awards and an Employee of the Year Award. Colleagues, Louis Williams and Shedrich Frazier will miss Elmer's laughter, sense of humor and willingness to help others. In addition to working in his church,

he plans to spend time with family and friends, work in his vegetable garden and enjoy his daily workout at the Campus Recreation Facility. Elmer, the Physical Plant family says, **WE APPRECIATE YOU!!!!!!**

“Enjoy Your Retirement Jones”

A SPECIAL THANKS!!!

My sincere appreciation to all who planned and attended my retirement celebration on June 2, 2006.

My family and I enjoyed the fun, food and fellowship.

Special thanks to Dr. Shirley C. Raines for taking time from her busy schedule to attend.

I am not saying **GOODBYE**, I'M just saying **SO LONG!!!**
Hey, Talley, I'M not coming in today.

-Evangelist E. Cecil Jones, Jr.
