Life Insurance Continuation
After Retirement

Basic Life Insurance

The basic life is the insurance included with the health insurance. In order to continue the life insurance after retirement, it must be converted to an individual whole life insurance policy through Fort Dearborn Life Insurance Company. Fort Dearborn will send a conversion notice to retirees after insurance has ended through the University. **If it is not converted within 31 days after the date of the letter, the insurance will terminate.**

### INDIVIDUAL WHOLE LIFE INSURANCE

1. Schedule of insurance is $20,000 - $50,000 according to salary.
2. Minimum amount that can be converted is $2,500. Maximum is the amount of life insurance that employee has at the time of termination of employment.
3. Conversion rate is based on age as of last birthday at time of retirement.
4. Premium is stable and will not increase.
5. Builds up cash value and has a loan feature.
6. Insurance will remain in effect for life, provided premiums are paid when due.
7. Premium is paid directly to Fort Dearborn Life Insurance Company.
8. Insurance on dependents, if currently insured, may be converted also.
9. Call Fort Dearborn at 1-800-778-2281 with questions or inquiries on conversion of life insurance.

### PERMAPLAN

Employees who are in Permaplan will receive an option letter from Provident Life and Accident Insurance Company after retirement. One of the following options may be selected:

1. Keep the amount of life insurance that has been converted to Permaplan and pay the new conversion premium.
2. Elect a paid-up life insurance policy.
3. Withdraw cash surrender value.
